**JOINT MOTION FOR APPROVAL OF
CLASS ACTION SETTLEMENT AGREEMENT**

The parties to this case have agreed on terms and conditions under which they believe this class action should be settled. Those terms and conditions are expressed in the attached Amended and Restated Settlement Agreement, Release, and Covenant Not To Sue. As explained in the concurrently filed memorandum in support, the agreement and the settlement it would

effect are fair, reasonable, and adequate. *See* Fed. R. Civ. P. 23(e). Accordingly, the parties urge the Court to approve the agreement and settlement on a preliminary basis; approve the parties' proposed notices to the classes and order that such notices be issued; schedule a fairness hearing; and, upon completion of the hearing, approve the agreement and settlement.
